Hh Song

(Tune: 'The Farmer in the Dell')

(By M. Hubbard)

Hh says /h/.

Hh says /h/.

Hear the horns and shout hooray!

/h/ /h/ /h/.

Movement: Pretend to hold a trombone with one hand and slide the bar out and away from you one time each as you say /h/ and 'horns'. Raise your arm to pretend to shout during the phrase 'and shout for joy'.
