

Instructions

1. Trace the head (top right corner of pervious sheet) onto blue paper. Cut.
2. Cut and glue yellow strips of paper onto another sheet of blue paper.
3. Trace the body, legs, and tail (all on previous sheet) onto the blue and yellow stripped paper. Cut.
4. Trace the wings (below) onto yellow paper. Cut.
5. Glue all pieces (except wings) onto another sheet of paper to assemble your dragon.
6. Using a brass fastener, attach the wings to the body.
