Thank you!

When we give thanks, there has to be an object of our thanks.

Who is it that we praise and give thanks to?

This Thanksgiving, may we focus our hearts and gratitude of thanks upon the One True God. Who is He? What is He like? How can we know Him? God reveals His character, who He is, through His name and titles.

These printables are intended to be used in conjunction with Sally Michael's God's Names, a Bible, a natural and simply made 'Thanksgiving Tree,' and an optional praise song list. Print out the verse card and the leaves, laminate (if you desire), and cut. Then, as you read and study the names and character traits of God, attach the corresponding leaf to your tree and thank God for who He is through word and song!

(Please note: These are just a few of His names. There are many more you could study!)

Give thanks to the LORD,
for he is good.

His love endures forever.

(1 Chronicles 16:34)

Thank You, God,
that you are...
